WELCOME TO CRAIGIEKNOWES CARE HOME

Situated in a quiet residential area of Perth, with views overlooking Kinnoull Hill, Craigieknowes Care Home offers excellence in Nursing, Residential, Dementia and Respite Care.

Our warm, welcoming atmosphere is second-to-none, while our caring team provide comprehensive, compassionate and dedicated care, 24 hours a day.

Care is personalised to each individual depending on their needs, through close planning with our residents and their families.

Our intimate home is cheerfully decorated and includes a number of shared dining rooms and lounges as well as an airy conservatory, together with a secure external patio area to enjoy during favourable weather. Residents enjoy comfortable bedrooms and are welcome to personalise their rooms as they wish.

Our chefs are proud to provide restaurant-quality, nutritious meals, ensuring all tastes and dietary needs are catered for.

A WARM WELCOME AWAITS

We are passionate about supporting residents to live each day to the full. Our varied activities programme is key to this, bolstered by our strong links with the local community. There is always something for everyone to enjoy and lots of opportunities to make new friends – or take time out to relax with a good book.

The benefits of group living with like-minded individuals, and knowing that care, support and good company is always on hand, mean that every day can be enjoyed to the full at Craigieknowes Care Home.

We look forward to welcoming you
